Foreword

To every thing there is a season, and a time to every purpose under the heaven:

2 A time to be born, and a time to die; a time to plant, and a time to pluck up that which is planted;

3 A time to kill, and a time to heal; a time to break down, and a time to build up;

4 A time to weep, and a time to laugh; a time to mourn, and a time to dance;

5 A time to cast away stones, and a time to gather stones together; a time to embrace, and a time to refrain from embracing;

6 A time to get, and a time to lose; a time to keep, and a time to cast away;

7 A time to rend, and a time to sew; a time to keep silence, and a time to speak;

8 A time to love, and a time to hate; a time of war, and a time of peace.

Forrest P. Lafferty

Principal's School Experience Varied

Mr. Forrest P. Lafferty has given thirty-six years of his life to public education. He received his B.A. degree from Middle Tennessee State and his M.A. from Middle Tennessee State. He served in middle Tennessee as a teacher, coach, and principal before coming to Memphis. He has been affiliated with Memphis and Shelby County schools for twelve years. He came to Westwood as a teacher when it first opened its doors. Since that time he has served in the capacity of teacher, guidance counselor, and principal. When Westwood was annexed into the city, he remained as its principal.

Some days, everything goes wrong.

There are many facets to running a school.

Mr. Jim Adkins, High School Assistant Principal

His pride and joy.

A Familiar Face To Many Westerners

A native of Arkansas, Mr. Jim Adkins brings many years of education experience to Westwood. He has taught and coached in Arkansas and Tennessee. During the Korean War, he was an officer in the Air Force. Prior to this he graduated from Arkansas State, where he played football. He has taught at Millington and Brownsville Road in Shelby County. Since coming to Westwood, he has served as assistant principal.

Mr. Hughes Completes Tenth Year At Westwood

Mr. E. C. Hughes came to Westwood in 1960 as an American History teacher and elementary basketball coach. The following year he was promoted to assistant principal in charge of the elementary school where he has served since. He brought to Westwood many years of experience in the area of public education.

Mr. E. C. Hughes, Elementary Principal

RIGHT: "Good afternoon, Westwood School, may I help you."

Mounting Clerical Requirements Are Handled By The Office

Modern public education has been described as our largest single institution. The paper work involved in the administration of a modern high school requires an efficient staff of clerical workers. With the ever increasing size of the Westwood student body, the number of office staff members has grown to the present size.

Coach McMillin assists Mr. Adkins in the office each morning.

Guidance Assists Students In Decisions

Guidance is a new phase of public education. It seeks to offer students direction in every area of life. It looks upon the total student and seeks to deal with the student from an academic, vocational, social, and domestic standpoint. It assists students in selecting courses. It helps make the educational program of Westwood workable.

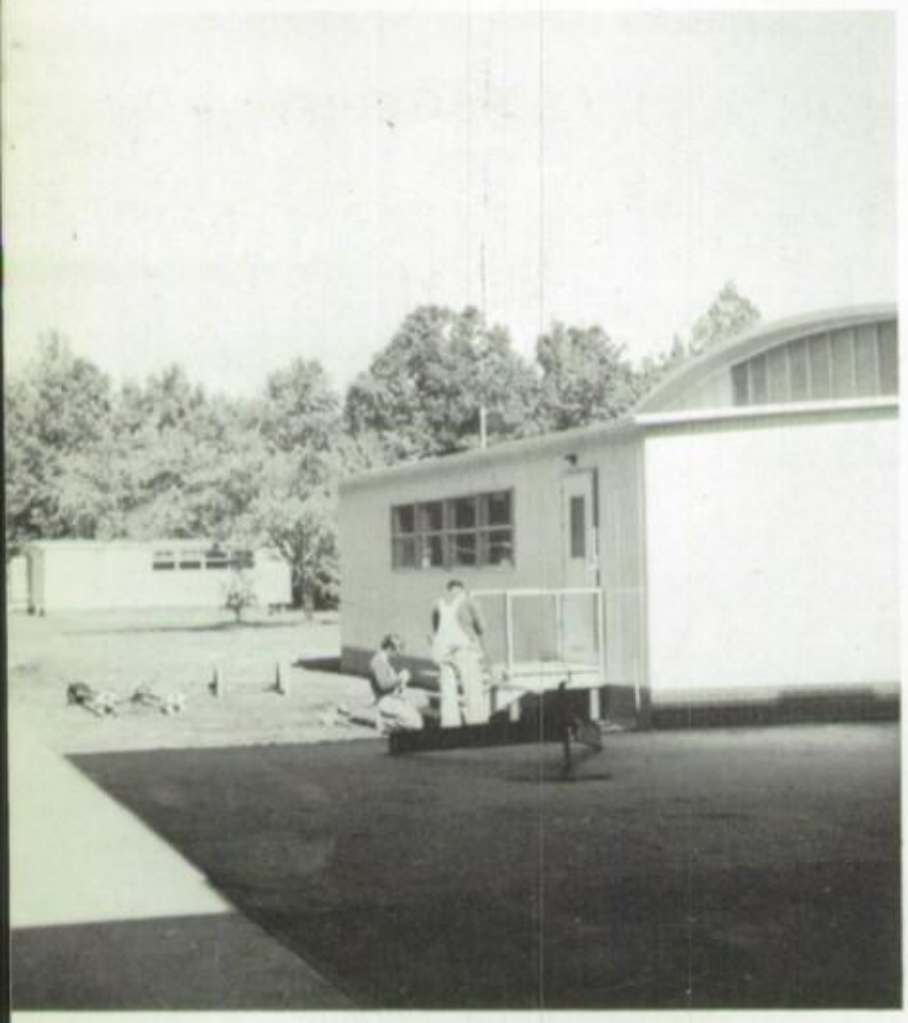
A time to live . . .

School Life

Three new portable classrooms dot the campus.

We wondered about this school year.



Westwood showed signs of growth.

Beginning days, the wonderment of it all, uniforms that are too big, enrollments that are too big, new classrooms, new courses, new teachers, new students - a time to move ahead, a time for aspirations.

A Time For

Traffic problems and parking problems were few at first but as cold weather approached, they compounded.

The lunch room again became a center of social activity.

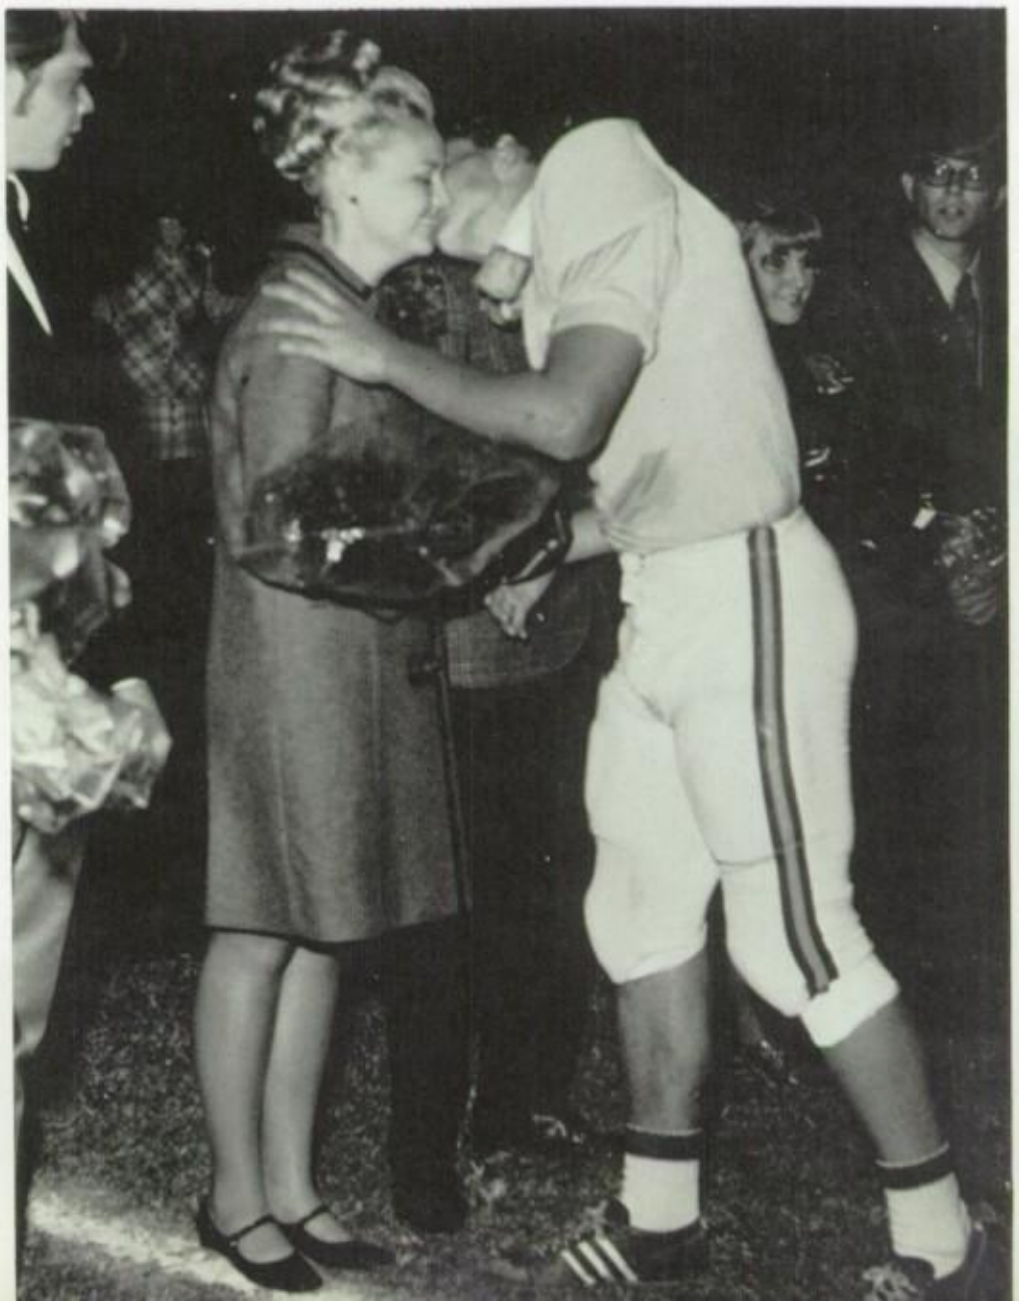
Paper, pencils, pins, and penants passed through the window of the bookstore.

Aspiration

A Time For

The crowd displays the enthusiasm of Homecoming.

Pomp and popcorn, ceremony and crowns, students and alumni crowd the stands for Homecoming. Football Queen candidates eagerly await the big moment as the finalists are announced and finally the big moment - the Queen is crowned.



Rita Stewart is crowned Homecoming Queen.

Anticipation

Queen Rita and her court.

Candidate Denise Harbin and escort James Owen walk through the formation.

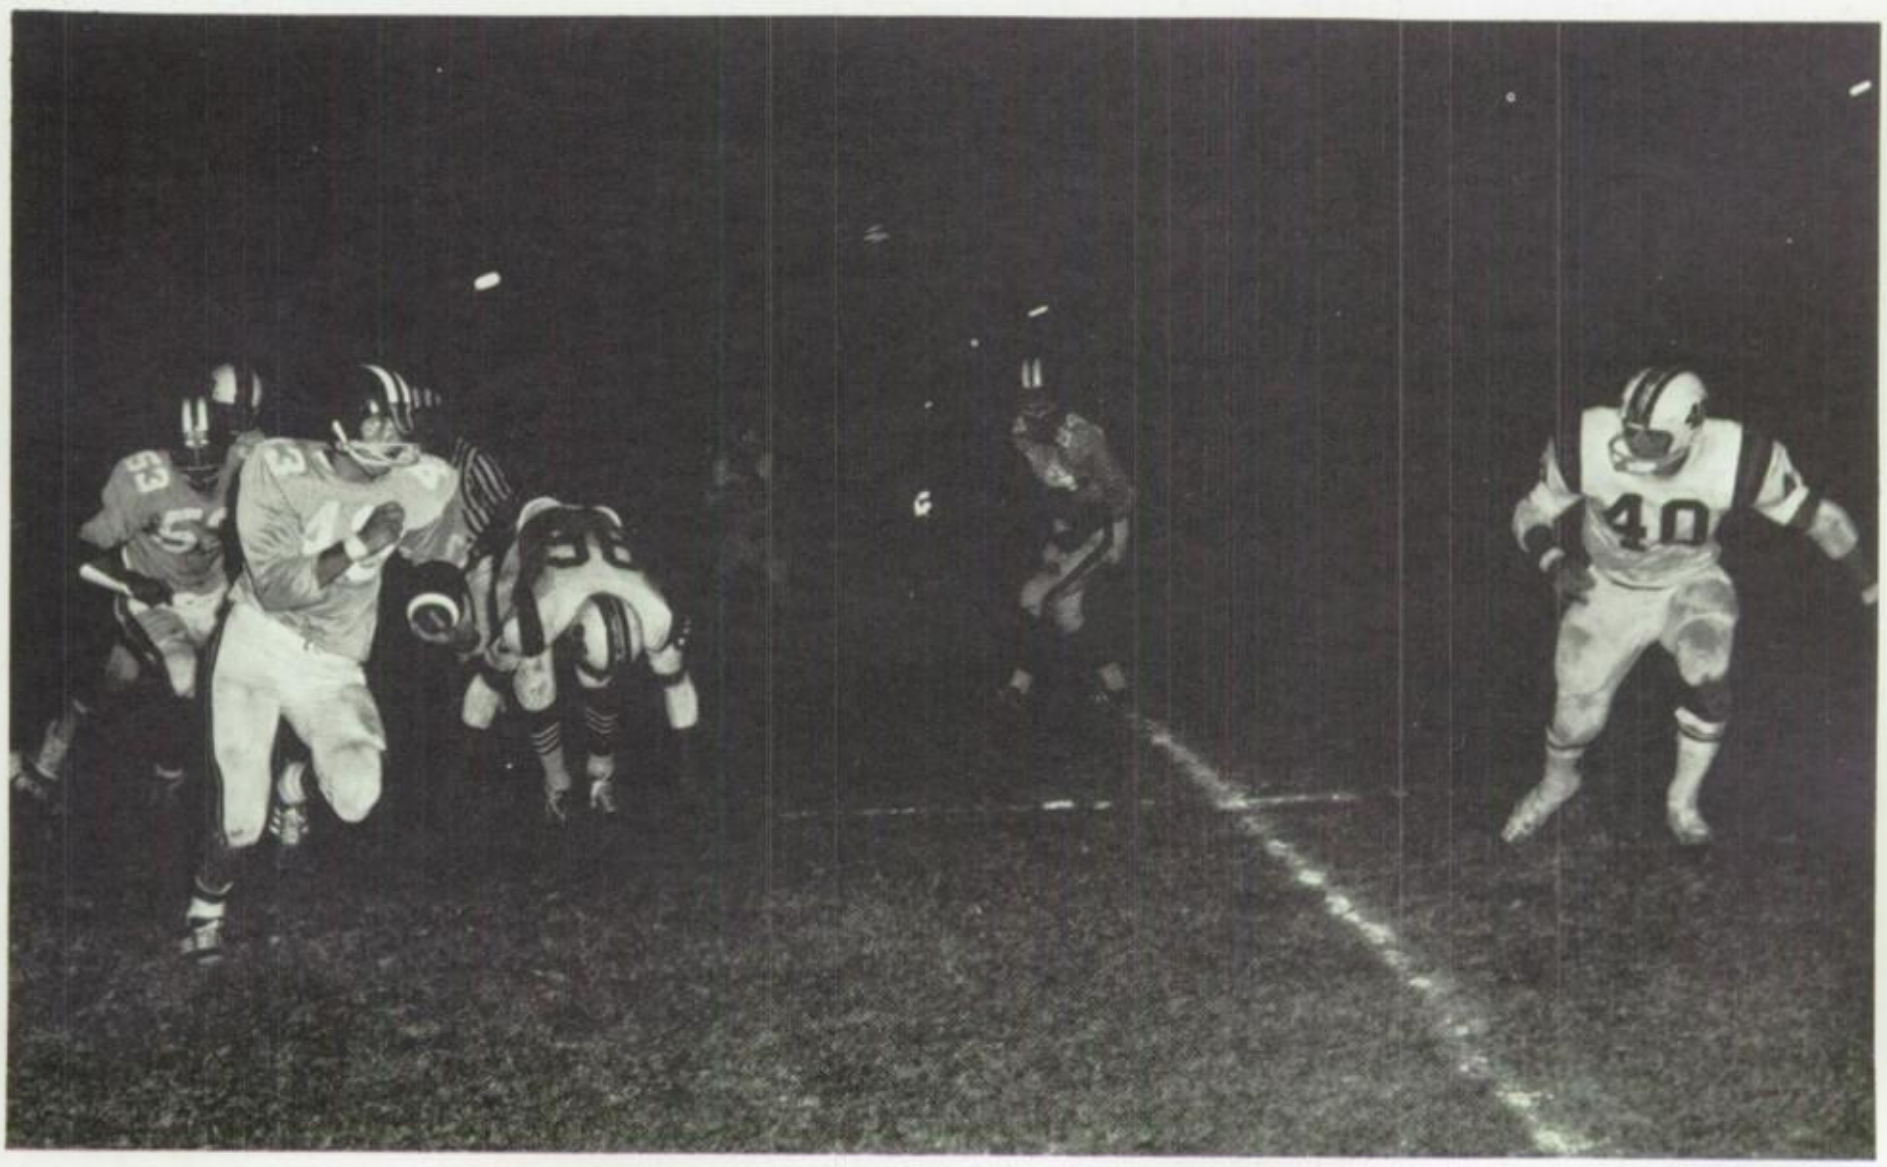
Mighty Westerners rush onto field after halftime ready for confrontation.

A Time For

Cheerleaders fire up school spirit for Homecoming festivities. All year the cheerleaders worked for school spirit - for confrontation. They sought to arouse the student body and teams to confront the opponent.

Cheerleaders Jane, Carol, Cathi, Glenda, Jo, and Francis make with "Big Apple, Suzie Q" - confrontation.

Confrontation



Charlie Lantrip rounds the end to confront the defense.

Perpetuation

The Band, Chorus, R.O.T.C., and students participate in a salute.

A Time For

Carl Sharpe delivers his speech "The American Dream" during the Veterans Day Assembly, calling for all to participate in achieving that goal. Participation involves many facets of school life - sports, drama, military, forensic, music, social, journalistic, and academic.

Coronation

Preceding a game with East, the traditional Basketball Queen Coronation was held. Last year's Queen Brenda Mason helped initiate the reign of 1970 Queen Denise Harbin. In the game that followed, the Westerners vied with East High, suffering defeat by a slight margin. Half-time activities included a unique performance by the Westernettes and the crowning of Westernette Queen Paula Bradford.

Miss Junior Miss Of 1969

Each year the Memphis Jaycees sponsor a Junior Miss Pageant. Contestants are judged on personality, talent, scholastic achievement, and personal appearance.

The Westwood Junior Miss contest was held on October 16, 1969. The sixteen participants met individually with the judges preceeding the contest. The girls appeared in a group number representing nursery rhyme characters. After the group number each girl performed her talent routine. Following this, the girls appeared in evening gowns. The judges then selected five finalists who had to respond to questions before the audience. From the five finalists the judges selected Miss Junior Miss for Westwood.

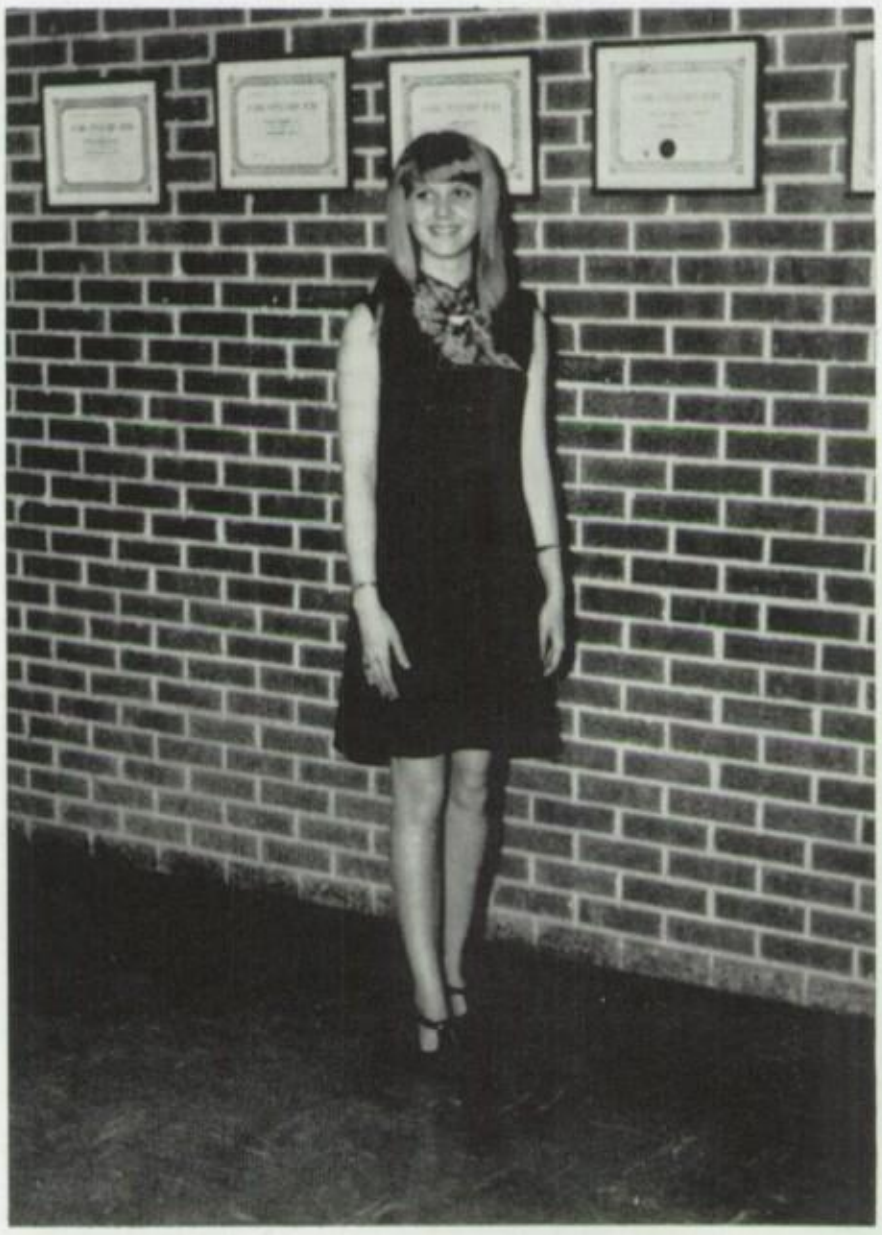
Hall Of Fame
1970

Each year since the first graduating class, the senior high school division faculty has selected outstanding seniors to the Hall of Fame. This year seven seniors were chosen. Representing all areas of school life - academic, dramatic, athletic, journalistic, musical, forensic - are: Mary Hoeffner, Teresa Hurst, Charlie Lantrip, Vicky Mills, Vickie Ray, Mike Vanlandingham, and Pat Wheeley.

Mary Hoeffner

Although she has only attended Westwood for three years, Mary has made several contributions to our school. She was a member of the F.H.A., the Honor Society, V.O.E. Club, Quill & Scroll, Thespian Society, and Pep Club. In her Senior year she was business manager of the annual. Mary's greatest contribution, however, was being voted State Vice-President of T.O.E.C. for the Western Region.



Teresa Hurst

Teresa has gone to Westwood for ten years, and in those ten years she has accomplished numerous tasks. A member of the Student Council for four years, she was in the Honor Society for five years, a member of the F. T. A. for two years, and a majorette for two years. Other credits to Teresa are Quill & Scroll, co-editor-in-chief of the WESTERNER in her Senior year, a member of the Debate team, and a participant in the West Tennessee Math Contest in the 9th and 10th grades. She also won honors for high scholastic achievement in Latin in her Sophomore year. In addition, she was treasurer of the Spanish Club, secretary of the Science Club, and President of the Science Club in her Senior year.

Charlie Lantrip

Charlie has proven his skill in the field of athletics more than once. For three years Charlie has shown his skill on the gridiron and has brought much recognition to his school. Track has played a great part in his school life with the high-hurdles as his specialty. In his Senior year Charlie won fame as an All-Memphis backfielder.

Vicky Mills

Vicky has been a very active student in her three years at Westwood. Vicky was chosen Westwood's Junior Miss. This honor exhibits her many fine qualities. Vicky was on the paper staff in the 10th and 11th grades and the WESTERNER in the 12th, thus earning her membership in the Quill & Scroll. In her Senior year she served as president of the Y-Teens and as vice-president of the F.T.A. and the Pep Club.

Vickie Ray

Vickie will be remembered for her contribution to school spirit and support of our athletes. For six years Vickie was an outstanding cheerleader, being chosen captain in the 8th and 12th grades. She was girl's vice-president of the Student Council in the 11th grade and chaplain in the 12th. Vickie was the treasurer of the F.B.L.A. in the 11th grade and vice-president in the 12th.

Mike Vanlandingham

Excelling both in sports and in scholastics, Mike has been an active member of all school affairs. In the 9th grade Mike entered the Student Council. He was boy's vice-president in the 11th grade. In the 10th, 11th, and 12th grades he was a member of the Honor Society, the Monogram Club, and many others. He also participated in sports.

Pat Wheeley

Pat will be remembered for his service to Westwood. In the 9th through the 12th grades Pat was an active member of the Student Council. He was chosen president in his Senior year. He was also in the Monogram Club, the F.T.A., International Relations, and the Honor Society in the 11th and 12th grades.

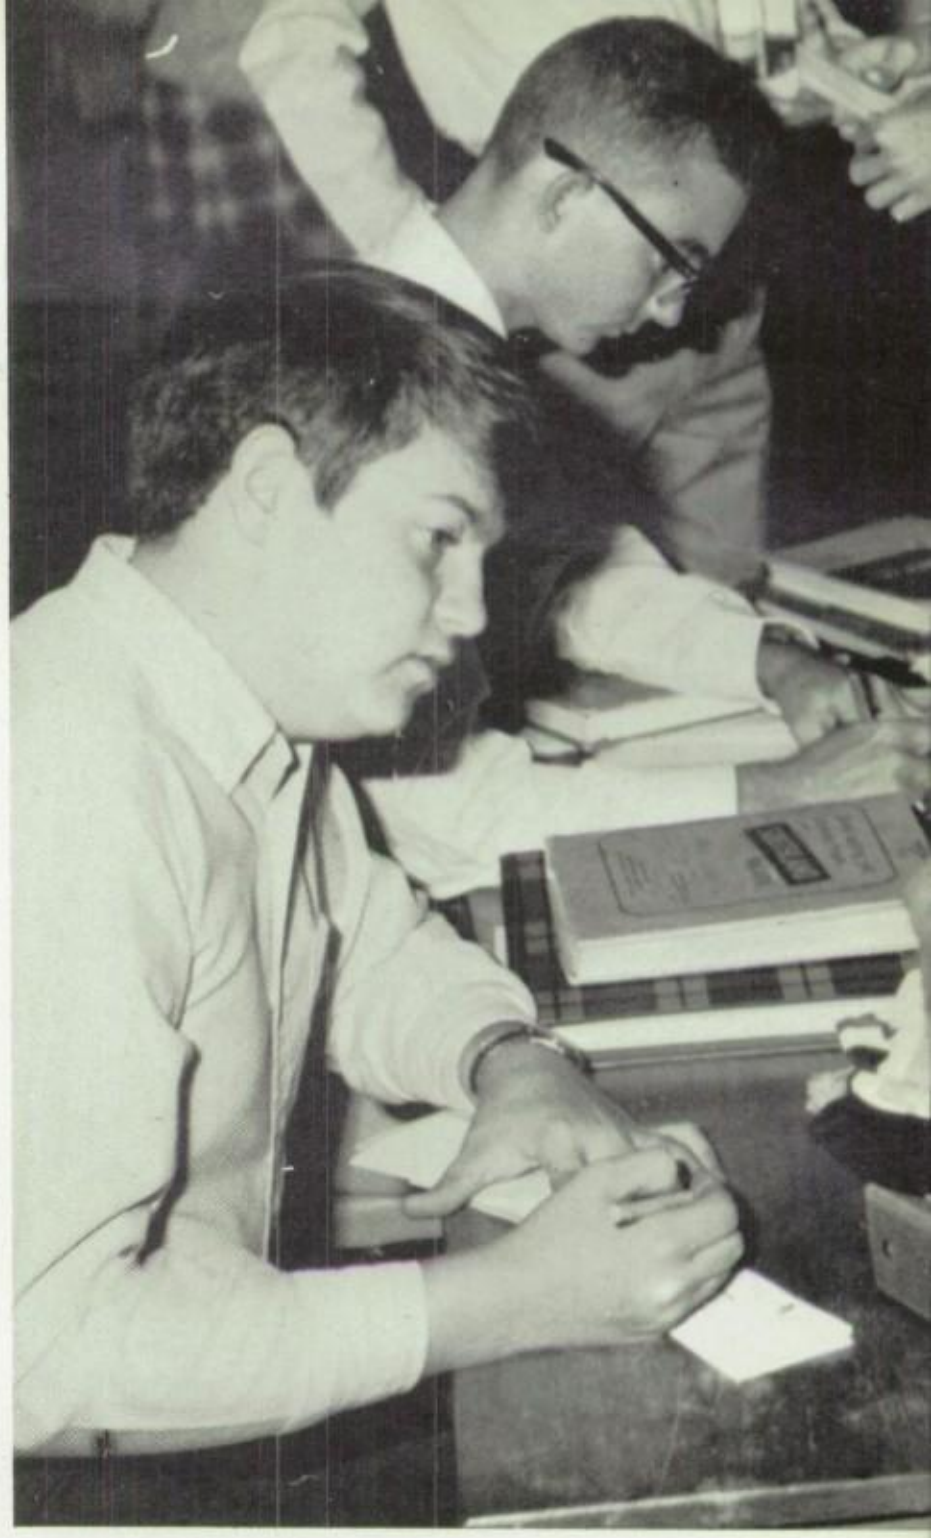
The Fabulous Fourteen are Vicky Mills, Kathy Jones, Jackie Hobby, Connie Turnage, Steve Stone, Mary Hoeffner, Patricia Wilkinson. Barbara Caldwell, Patti Wong, Ann McDonald, Susan Hill, Razz Waff, Teresa Hurst, and Mike Bass. (Not Pictured - Rita Pitman).

Another year; another annual. Again, hard work, disagreements, confused deadlines, and wrong page numbers are behind them. But despite the above, the fourteen member staff got the job done and on time.

Though at times they may have seemed irritable, moody, and argumentative, they were so only because they were striving for the best. They wanted the 1970 Westerner to be the best. And now you have the finished product.



Co-editors Teresa Hurst and Ann McDonald ponder over a problem.

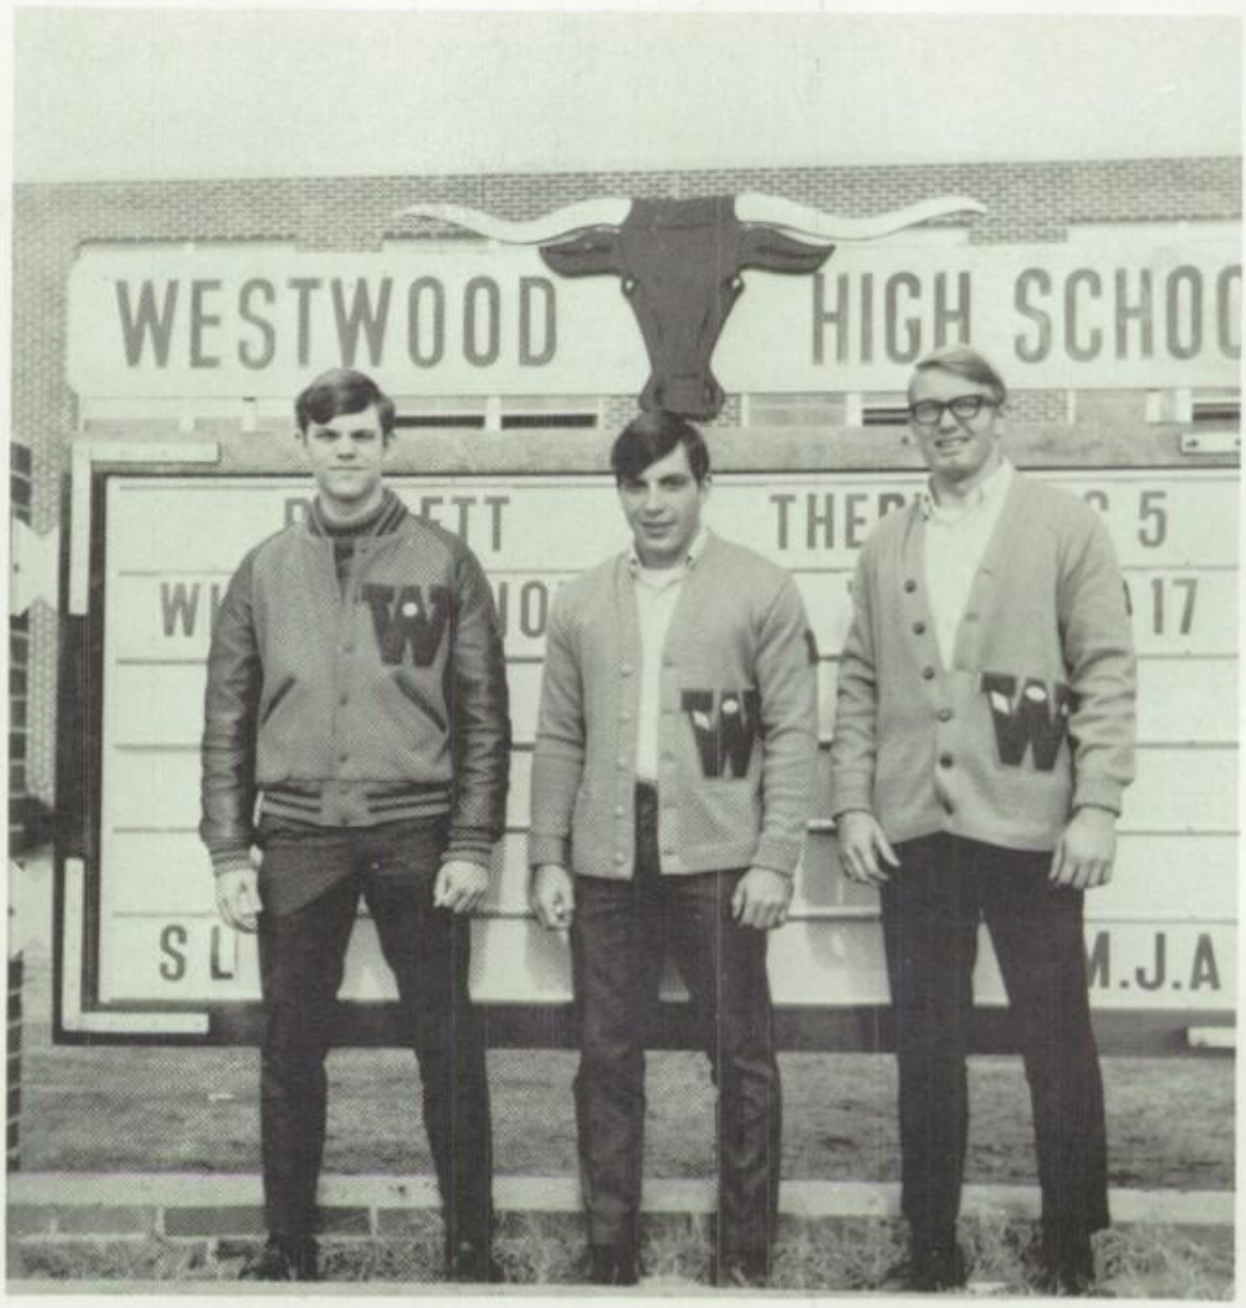
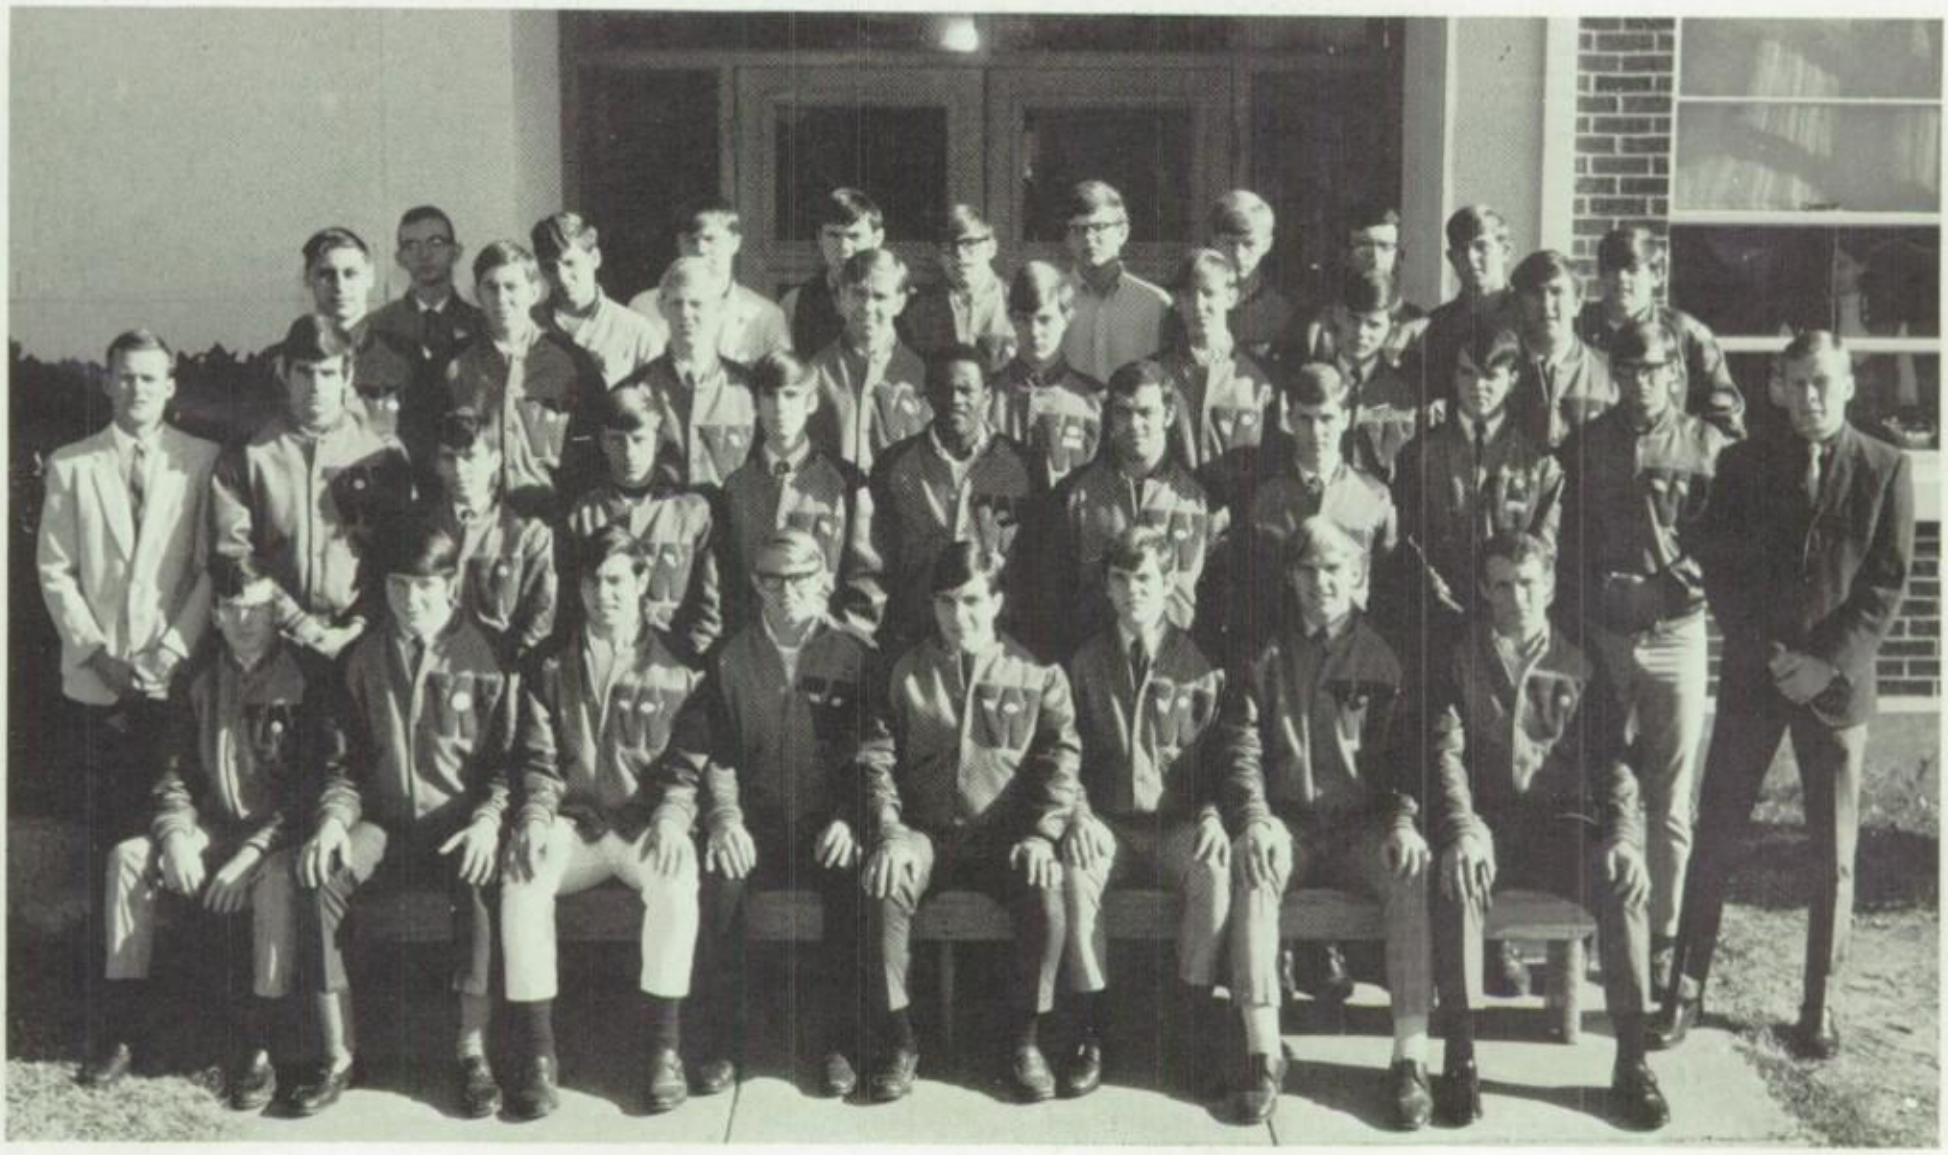
Lettermen Work To Build A Better School

This year the Monogram Club has performed many projects for the school. Under Coach Smith and the other coaches the club has embarked upon various school related activities.

Requirements for membership are quite rigid. A prospective candidate must letter in some varsity sport. If thus qualified he must experience a Spartan-like initiation.



Officers Mike Johnson, Roy Beavers, and Charlie Lantrip say "We're proud to be from Westwood."



School lettermen proudly display hard earned letters, jackets, and sweaters.

Intelligence pays off.

This year the Pep Club is Westwood's largest organization. The highest goal of the club is to promote school spirit and encourage an interest in school activities.

The newest event of the club was to sponsor an Honors Banquet given in May, 1969. This was for students with high scholastic averages. The club also has charge of Homecoming Festivities, both Football and Basketball.
